Membership Officer: - Stephen Connolly Ph 0427 307 520

Application for Membership

Dear Prospective Member

The Southern Beekeepers Association (Qld) Inc. is an enthusiastic group of individuals from diverse backgrounds having a common interest in the promotion of their hobby or their industry - beekeeping. Consequently, our Association has among its membership those who are learning about beekeeping, those who are competent beekeepers and those (fortunately for most of us) who can only be described as professional - the old bards who are ever-ready to answer questions and lend a helping hand or advice when needed.

We meet each third Wednesday of the month at 7.00pm at the Toowoomba Club (South Toowoomba Bowls Club) in Hume Street, Toowoomba and also via Zoom to enable members from out of town and other members to attend remotely. Meetings are generally short affairs centered on the planning of coming events such as guest speakers, field days, heritage festivals at Jondaryan and Highfields, The Honey Court at the Toowoomba Royal Show, etc. Monthly meetings are often followed by a guest speaker, demonstration, or some other activity. However, the real business doesn't start until the 'cuppa' afterwards. It's then that insurmountable problems are solved, honey flows are compared and predicted, goods are bought, sold or swapped and new members are made to feel perfectly at home.

Membership is intentionally kept low (\$25.00 per financial year) and includes the member and his/her family where applicable. (Note: - One vote only per membership is permitted.) A growing and comprehensive library of books, journals, and CD's is also available to financial members at no additional cost.

Meetings are widely advertised via radio and an informative newsletter is emailed out to members during the week prior to the meeting.

Yours faithfully
Glen Tucker (President)
Kaye Brown (Secretary)
Kev Costello (Treasurer)

Stephen Connolly (Membership Officer)
